

Sutherland Titans Football Club provides Football 4 All

The Sutherland Titans FC was formed in 2006 to provide opportunities for children and young adults with special needs to participate in Football. It is part of the FNSW philosophy providing Football 4 All.

**We are looking for players of All age groups
Players – U6 to U21 Boys and Girls Mixed teams**

Our Football4all program is modified football with less rules and more a focus on participation in a safe and less competitive environment. It is designed to optimise playing, physical activity and making friends in a fun and family friendly environment. It is ideal for players with a disability or special needs who are just starting out or who prefer to play fun football in a team with other special needs players. The teams compete against teams from the mainstream who understand the concept and it provides a brilliant learning opportunity for all players within the community. Players also enjoy the benefits of football through the physical, emotional, and social skills that often help to build confidence and self esteem that can last a lifetime.
