

Under 6's and 7's Team Allocation Day

Welcome all members reregistering and newly registered in the Under 6's and Under 7's age group to St Patricks Football Club Inc. for 2012 season.

We have a team allocation day that we would like you to attend on the Tuesday 14th February 2012 meeting at our home ground Forest Rd, Kirrawee.

The Under 6's we would like you to be there by 4.30pm and the Under 7's be there at 5pm.

At this team allocation time we endeavour to allocate you all into your teams, find a Coach and a Manager that will guide your team through the season. If you have registered as a team group then you need to just advise us of who your Coach and Manager are with contact details and you will be fast tracked to the next step. If you are unable to attend at these allocated times then we will place your child in a team we feel is suitable and then if you could contact your Age Manager for the final details, this would be appreciated.

Your Coach and Manager come from your team, the parents! Our Club do not give your team a Coach and Manager. Once this decision is made, then at this allocation time you will be able to discuss in your team group when a mutual time is agreeable to train. We do feel that if all the same age group are able to train on the same night is beneficial to the players.

With training – as a club we would love to see that all the 6's train on the one night and all the under 7's train on the one night. Obviously this is not always possible but the benefits that the club can offer if this happens will be rewarding to your children. This is something to keep in mind for decision on allocation afternoon.

The under 7's have a Age Manager, Mrs Justine Lea, who can be contacted via mobile 0418214328 and email manager7s@stpatricksfc.com.au with any queries regarding this age group. Our Age Manager for the Under 6's is Amy Broomfield, who can be contacted on 0408422146 or on manager6s@stpatricksfc.com.au.

Enjoy your football is all we ask and expect from your children so your assistance and partnership with this is greatly appreciated.

Yours in sport
